ARELLANO CONSTRUCTION SELECTED TO PROVIDE CONSTRUCTION MANAGEMENT SERVICES FOR THE MIAMI DADE COLLEGE NORTH CAMPUS CLASSROOMS REMODELING AND RENOVATION PHASE 1 PROJECT

Miami, FL, July 29, 2010 – Arellano Construction, a higher education facilities builder, has been selected to provide construction management services for the Miami Dade College North Campus Classrooms Remodeling and Renovation Phase 1 Project.

Phase 1 is approximately 47,000 SF of a campus-wide remodeling/renovation project which will address science lab space, office, classroom and faculty space. The project will include building systems, room finishes, furniture and equipment for all areas. Additionally the project will strive for LEED certification.

“We believe our expertise working in occupied buildings and campuses, will contribute greatly to the success of this project,” said Agustin Arellano, President and Chief Executive Officer of Arellano Construction. “We are very excited and proud that Miami Dade College has selected us and we look forward to being a valuable member of their team.”

Arellano Construction Co. is a comprehensive construction management firm headquartered in Miami, Florida which specializes in the construction and renovation of higher education and healthcare facilities. Founded in 1974, Arellano Construction has built a reputation for outstanding client service, quality and integrity. For more information, please visit our website at www.arellanogc.com.
