ARELLANO CONSTRUCTION AWARDED U.S. CENTURY BANK ARENA EXPANSION PROJECT AT FLORIDA INTERNATIONAL UNIVERSITY

Miami, FL, July 13, 2010 – Arellano Construction, a higher education facilities builder, has been awarded the U.S. Century Bank Arena Expansion project at Florida International University.

The US Century Bank Arena is the largest indoor gathering place on the campus of Florida International University. This building serves the campus and community for various functions and events throughout the year. The US Century Bank Arena Expansion will provide a welcoming central entry area to manage large quantities of visitors effectively. Components of the project will include a formal lobby/pre-function area that accommodates visitors and waiting lines; public restrooms and concessions; an external covered guest area adjacent to the entrance doors; adequate ticketing facilities; and advanced multi-media to make public announcements.

“We are excited and proud to manage the construction of this important expansion project for Florida International University which will benefit the students, faculty and community served by the U.S. Century Bank Arena,” said Agustin Arellano, President and Chief Executive Officer of Arellano Construction.

Arellano Construction Co. is a comprehensive construction management firm headquartered in Miami, Florida which specializes in the construction and renovation of higher education, healthcare, and commercial facilities. Founded in 1974, Arellano Construction has built a reputation for outstanding client service, quality and integrity. For more information, please visit our website at www.arellanogc.com.
