ARELLANO SELECTED TO PROVIDE CONSTRUCTION MANAGEMENT SERVICES FOR A NEW HYBRID OPERATING ROOM SUITE AT HOLY CROSS HOSPITAL IN FORT LAUDERDALE, FLORIDA

Miami, FL, January 14, 2011 – Arellano Construction, a healthcare construction builder, has been selected by Holy Cross Hospital to provide construction management services for their new Hybrid Operating Room Suite.

The scope of work includes the construction of a Hybrid Operating Room Suite which will consist of a Hybrid Operating Room, Substerile Room, Control Room, Technical Room, Access Corridor, Scrub Alcove and additional Program Space.

“Arellano is extremely proud to be given the opportunity to serve Holy Cross Hospital in constructing this project, which will only enhance their ability to provide the best patient care possible” said Agustin Arellano, President and Chief Executive Officer of Arellano Construction. “We believe our expertise working in fully operational hospitals and facilities, will contribute greatly to the success of this project and we look forward to being a valuable member of their team.”

Arellano Construction Co. is a comprehensive construction management firm headquartered in Miami, Florida which specializes in the construction and renovation of healthcare and higher education facilities. Founded in 1974, Arellano Construction has built a reputation for outstanding client service, quality and integrity. For more information, please visit our website at www.arellanogc.com.
